

Hello parents & pupils,

Múinteoir Eoin here. I hope you are all safe and well. All of us teachers have recently been discussing school work and how to improve things for students (and parents) stuck at home. We have come up with a few changes which we hope will make everything run a little smoother for everyone.

We are now moving to Aladdin Connect which will allow us to post a plan of work every week and gives us and you a chance to communicate more freely if required. With this in mind, I would like to invite the children to send me 3 pieces of their work through email each week to help keep them working, encouraged and connected. You can take a photo of the work (or of the children doing an activity perhaps) and send that in the email. There is no need to scan work.

This week coming, please feel free to send me some or all of the work that your child has completed. For example, I would love if the children could email photos of:

1. Any page of Maths work completed.
2. 5 sentences they wrote using their English spellings
3. 1 piece of work of their own choosing (something they are particularly proud of or their favourite piece of work)

As before, my email address is:

eoinhaig@yahoo.co.uk

Again, I want to stress that I am conscious of everyone's differing home situation (i.e. time available, access to internet, printer, laptop, smart phone, textbooks, etc) and that you can only do what is practical given your own circumstances.

Please find attached the plan of work for the week which also contains a link to the worksheets and other resources needed for the week.

Please don't hesitate to contact me if you need any help. It's great to get your feedback.

Regards to all and a big hello especially to all the children.

Kind regards,

Mtr Eoin
