3rd Class Scheme of work

<p>Other work (if time allows)</p>	<p>PE: See 'Active Schools' section of school website.</p> <ol style="list-style-type: none">1. GEOGRAPHY/SCIENCE: If the weather is good and you have access to some green area, you could do a mini-nature walk and see how many items on the nature walk worksheet you could find (see padlet page).2. SCIENCE: Spectacular Soap experiment (instead of using a pipette, maybe you have a syringe from a bottle of Calpol or other medicine) (see padlet).3. MUSIC: Come up with your own catchy tune on the tin whistle! It doesn't have to be long, maybe just 10 seconds. Take a video and send it to me 😊4. ART: How to Draw Jungle Animals (see padlet)5. MATHS: Maths puzzles available on https://www.mathsisfun.com/puzzles/
