### **Monday 8th June**

#### **English:**

- My Spelling Workbook – unit 18 (page 70) – learn first 4 spellings (traveller-luggage) and complete activity No. 1. Begin the crossword and spend 10 minutes on it.
- Handwriting – complete half of the next page you are on in Go With The Flow.
- 5<sup>th</sup> class profile - Every June since junior infants, you have written about your year in school. These pages are kept in a special file and are presented to you when you finish 6<sup>th</sup> class. It is like a memory book of all your years in Ballina Primary School and is lovely to look back on! We are going to focus on completing your 5<sup>th</sup> class profile this week, I would really like everyone to do this.
  - Write it in a copy or on a sheet in your neatest handwriting. You could decorate it too or design a border around it. Take a clear photo of it and send it to me on Teams. I will collect and print them all, so they are ready for next year.
  - Have a think back over your year in 5<sup>th</sup> class before you start writing and brainstorm your standout memories.
  - What was new or different this year, buddy reading, what subjects did you enjoy the most, fun activities or funny memories, learning from home using Teams etc
  - Use paragraphs and remember one idea in each paragraph.
  - Go back and edit your work for spelling mistakes, capital letters, full stops etc before taking the picture and sending it in.
  - You have all week to work on this, submit it on Teams by Friday.

#### **Maths:**

1: Today have a go at Brain Teasers 77 in the assignments area. It is directed numbers (plus and minus numbers – be careful, the minus sign can be easy to miss it's so small).

2: Continue your Tables Champion. I wonder is anyone finished the book yet.

## SPHE:

**Try Activity 1 Today** (The activities are in files, in the folder for this week's work).

This week SPHE is all about **well-being**. The activities this week will help you build a portfolio of your thoughts and reflections. This will help you begin to develop a sense of wellbeing. Please remember that the activities will only be worthwhile if you put your best into it. Keep your work for the future. It could help you in future well-being activities in school or for your own well-being efforts.

You can print out the activities, write on them and then take a picture and post it. Or you can just draw out the activities on a blank page and post them to teams.

**Finally, you may feel that some of these reflections are a bit personal. That is okay. Share what you want to, keep private everything else.**

### **LET'S REMIND OURSELVES WHAT WELL-BEING MEANS AND FEELS LIKE:**

Well-being means feeling **good** and **strong** in our **minds** and **bodies**, having **energy**, getting along with and helping **others**, knowing our **strengths** and feeling **proud** because we are doing our **best**. It means we can **cope** with the little problems and disappointments of life. It means **enjoying** life, being **grateful** for what we have and **accepting ourselves** just as we are!

**Photo Challenge** - This is a fun but optional activity. In the files section of Teams you will see a photo challenge document with ten options or ideas. Send in your photos by Friday!
