

Design and Make: Wellies for Teddy

Water

1 Explore

Test different materials.
Tick the material that you will use.

Teddy needs some wellies to
keep his feet dry. Can you help?

plastic

fabric

rubber

tissue

2 Plan

What will the wellies look like? Draw them.

3 Make

Make the wellies.

4 Evaluate

Test the wellies. Are they waterproof?
Circle the happy face or the sad face.
